Version	1

Note areas of the page that are constant from page-to-page, any text areas and image placements and any elements that link outside of the site itself.

Header:	Logo, Site Name, Page Name Remains consistent throughout the website, although smaller on the inner pages than on the Home page.
Global Navigation:	Home, About, Ready To Wear, Design It Yourself, Contact
Purpose:	To introduce the user to the site, explain how the beadboard works, and the services offered.
Colors:	See Style Sheet
Fonts:	See Style Sheet
Audio/Video:	None
Interaction:	The user will be able to see the various tools used in designing beaded jewelry.
Animation:	None

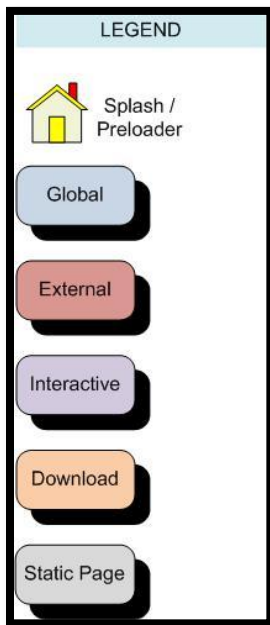

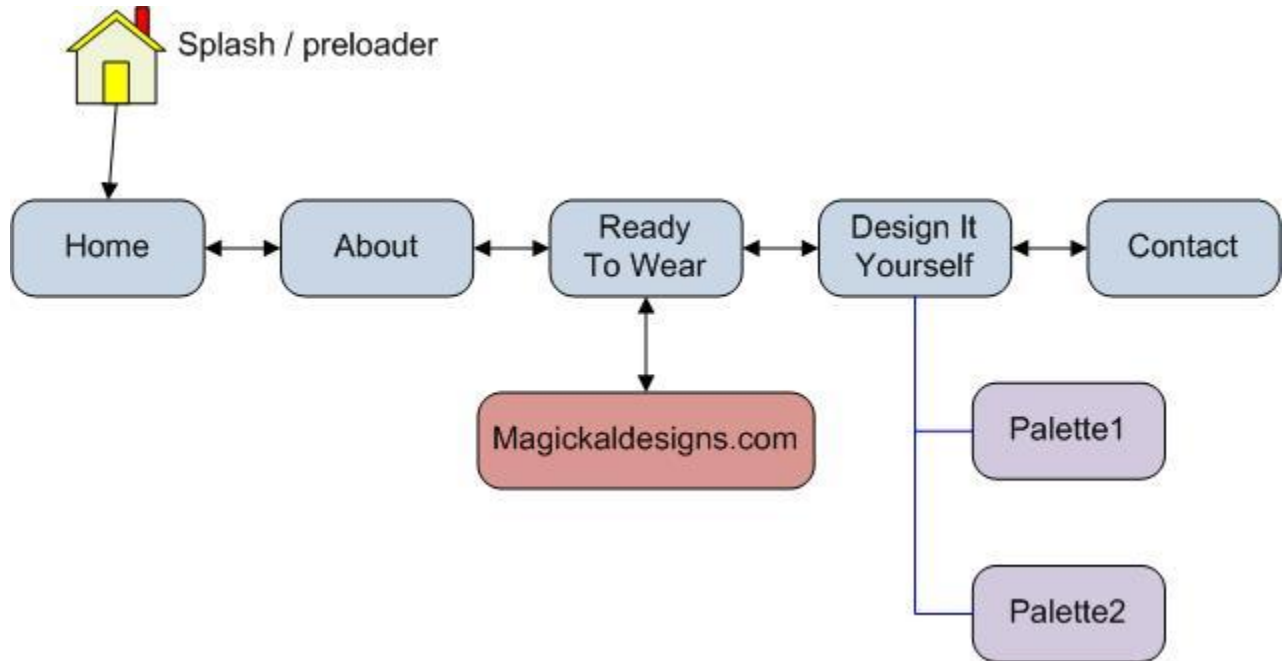

Scene Description:
 The header is larger than on the inner pages as this is the Home page. Consisting of the Logo, Site Name: Design It Yourself Jewelry and the Page Name: Home

There is a large image of a jewelry designers work bench with a beadboard, tools and boxes of beads and findings. As the user rolls over the image the names of the tools are displayed.

The text box on the right of the screen explains how the site and the beadboard work and the options available.
